

NATURALLY Powerful Aromatherapy Skincare AROMESSENCE™ SERUM & BALM

Each AROMESSENCE™ consists of masterfully blended essential oils, chosen for their respective properties to balance the skin and treat specific skin concerns.

100% NATURAL and PURE these precious yet powerful concentrates of active ingredients work in optimal affinity with the skin while acting as performance boosters to the day cream applied afterwards.

STEP ONE

TREAT *with* AROMESSENCE™

Choose from 7 formulations according to skin concern for instantly balanced skin. Through optimal affinity with the skin these concentrates are quickly absorbed into the deeper layers of the skin.

STEP TWO

REINFORCE *with* Day Cream

DECLÉOR day creams are loaded with powerful plant active ingredients to offer ultimate protection and targeted benefits according to skin concern.
